To: The Directors of ICAR and Vice Chancellors of SAUs

Sub: ICAR sponsored Short Course on "Reshaping Agriculture and Nutrition Linkages for Food and Nutrition Security" November 17-26, 2016 at CRIDA, Hyderabad. Nomination for participation - reg.

Dear Sir,

Agricultural intervention and farming systems research in India has been largely focused on enhancing production, productivity and profitability of crop without much emphasis on better nutritional outcomes. A framework for linking agriculture and nutrition in ways to alleviate malnutrition is missing. It has never been clear on how to link goals to policies and on how to promote synergies between goals. To improve the nutritional needs of farming community, suitable agricultural interventions have to be addressed for better nutrition outcomes. Accordingly, the above short course is organised from November 17-26, 2016 at this institute. The course provides understanding on a Agriculture and Nutrition linkages perspective, that leads to formulate effective nutrition interventions to alleviate malnutrition.

The total number of participants will be **limited to around 25 on first come first serve basis**. You are therefore requested to kindly send nominations of **one or two** suitable persons at the earliest (by **September 29, 2016**) as per the application procedure mentioned in brochure (copy enclosed).

Boarding and lodging facilities will be provided free of cost to the selected participants. Besides, TA for to and fro journey on actual basis as per their entitlement restricted to train (AC II tier)/bus fare will be reimbursed by CRIDA on **production of relevant receipt/ tickets for to and fro journeys**. If any participant chooses to travel by Air, he/she may do so, but their claim shall be restricted to AC II tier train fare, provided they travel by Air India and book the tickets with ICAR code (095).

Looking forward for your early action and co-operation in this regard.

Yours Sincerely,

(CH.SRINIVASA RAO)

With regards,

Encl: as above
