

ICAR-INDIAN INSTITUTE OF SPICES RESEARCH
(Indian Council of Agricultural Research)
Kozhikode - 673 012, Kerala

The Valedictory function of DBT funded training programme on "Bioinformatics for Metagenome Data Analysis (NGSDAT 2019)" organized by the Bioinformatics Centre of IISR would be held on 22 March 2019 (Friday) at 2.30 PM in the Silver Jubilee Hall. **Dr. Belle Damodara Shenoy** (Scientist, National Institute of Oceanography, Visakhapatnam) is the Chief Guest for the function. He will be delivering a plenary lecture on "**A Taxonomist's Brush With Metagenomics**".

All study circle members are invited to attend the programme.

(Dr. Santhosh J Eapen)
Head, Div. of Crop Protection
Coordinator, Bioinformatics Centre
