A) Director expressed his deep concern about the incidents developed in some labs/offices (Missing of Valuable items from labs and offices).These incidents are viewed seriously and action will be taken against the custodians if required. The safe custody of all assets under their control is the prime responsibility of the concerned officer/in-charge and necessary measures may be taken by them to prevent such unwanted incidents in future. And also stressed the need for to strengthen the surveillance system in laboratories and building premises.

B) Explore the feasibility of using plastic mulch for weeds control.

This is approved by the Director.
