

STUDY CIRCLE PAPERS

- **Inter-specific grafting: a tool for conservation of genetic resources of *Garcinia L.* - Muhammed Nissar V. A., Rema J. , Saji K. V., Joseph John K., Pradheep K. and Jaisankar I**
- **Association of two novel double-stranded RNA viruses with *Fusarium* sp isolated from black pepper - Megha Das, A. I. Bhat***
- **Evaluation of elite small cardamom genotypes for drought tolerance - Ankegowda, S.J., Krishnamurthy, K.S* and Alagu Palmuthir Solai***
- **The Pesticide Dilemma in Spice Sector: Espousing an Enabling Policy Environment - Santhosh J Eapen, Lijo Thomas, C M Senthil Kumar, Praveena R, Leela N K and Anees K**
- **Evaluation of genotypes of fennel in various agro climatic regions of India - Sharon Aravind*, Shivakumar M. S., Gothwal D.K., Surbhi Chauhan, R.S. Meena, S.K. Tehlan, Ritesh Patel, Reena Nair, C. Mukhim, Pradeep Kumar, Dharendra Singh, K. S Krishnamurthy and J Rema**
- **Volatile profiling of Ex-situ conserved primary gene pool genotypes of black pepper (*Piper nigrum L.*) - Sivaranjani R*, Shivakumar M.Sa, Saji K.Vb**
