

ICAR- Indian Institute of Spices Research
Marikkunnu (P.O), Kozhikode- 673 012

Proceedings of the study circle meeting held on 08.08.2024

The study circle meeting was held at Committee Hall at 3.00 pm. The meeting was chaired by Dr. R. Dinesh, Director, ICAR-IISR, Kozhikode.

- Dr. C. M. Senthil Kumar presented the foreign deputation report of ‘The International Congress on Invertebrate Pathology and Microbial Control’, 56th Annual Meeting of the Society for Invertebrate Pathology held at Vienna, Austria.
- The report may be communicated to the HQ, New Delhi.

Presentation of research papers

- **Contribution No. 1136:** Low-cost polytunnel technique to improve the sprouting and growth of black pepper rooted cuttings in the tropical hilly zone (Akshitha, H. J., Shivakumar, M. S., Kandiannan, K.1 and Ankegowda, S. J.)
- The committee suggested defining the ‘low cost’ in the ‘materials and methods’ session and including good-quality photographs. The paper was approved.
